Basic module, 2 FH

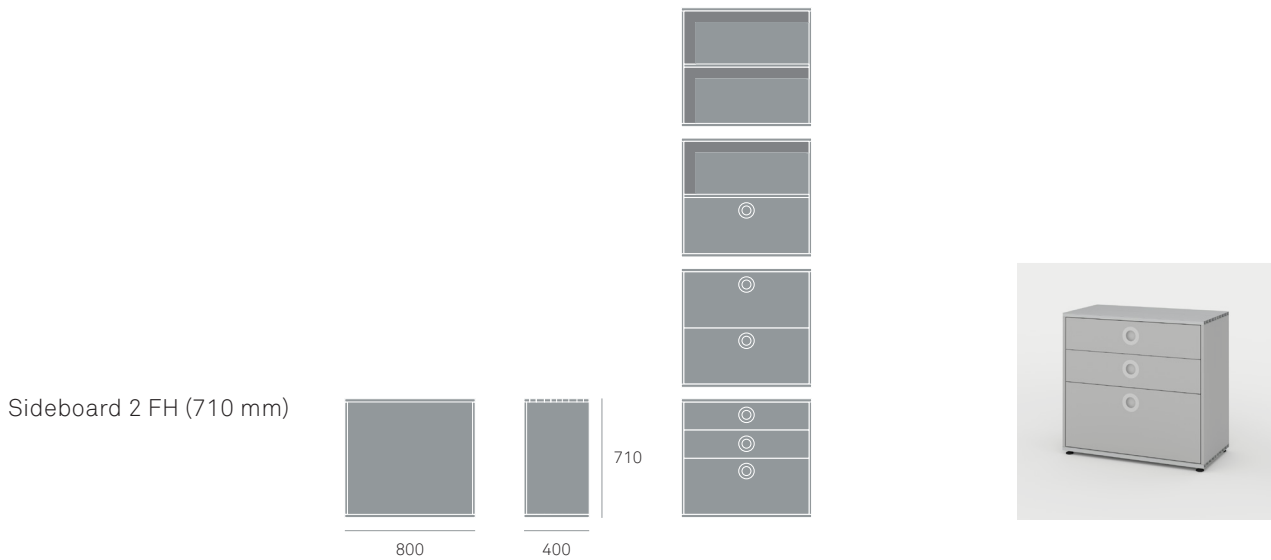

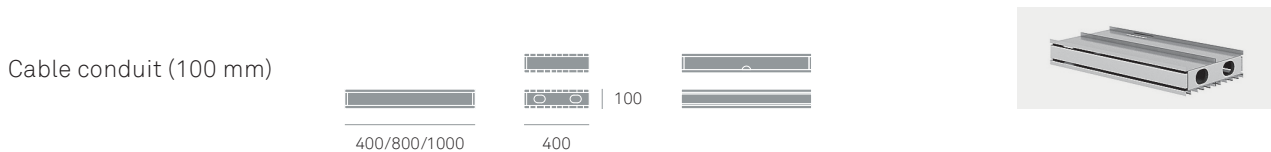

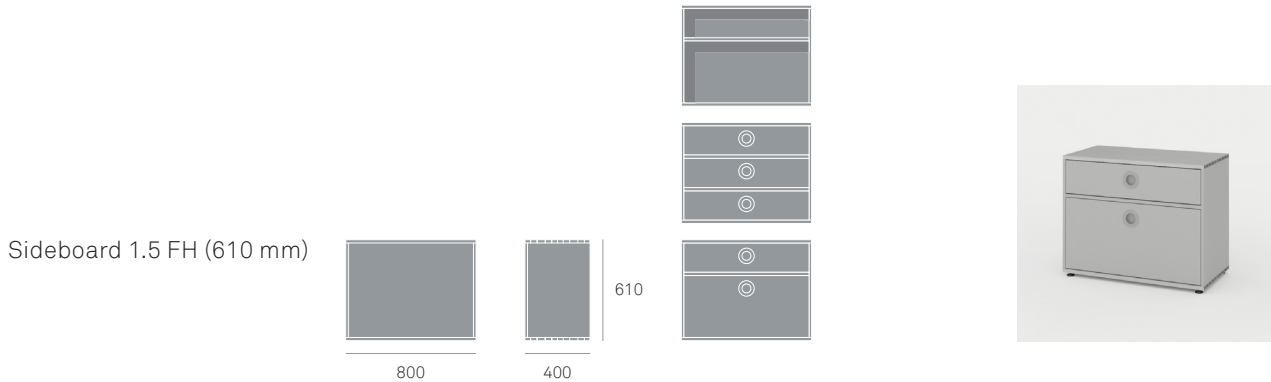

Basic module, 3 FH

Sideboard

LO D3 sideboards provide optimum storage at desk height right next to the desk. They can be used to extend the desk or, with an extension module, as a privacy screen. The cable conduit ensures optimum cable management on the desk.

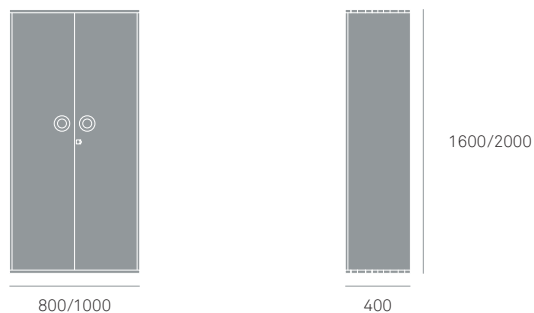

Height incl. base and countertop is 750 mm, equal to standard desk height. The three cable conduits are available with or without cable outlets on one or both sides.

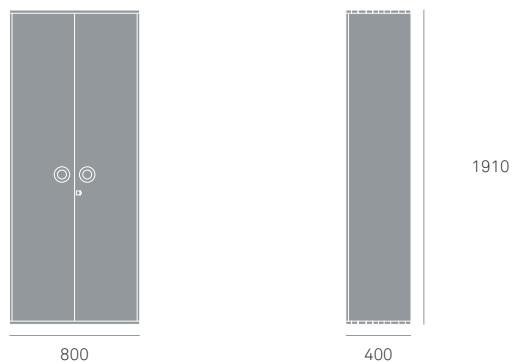

Double-door cabinets

The LO D3 double-door cabinet can be used for filing or for coat storage. Available with shelves or a supplementary pull-out clothes rail. To save space, the D3 double-door cabinet can be extended upwards (D3 grid system).

Product range

Drawer unit

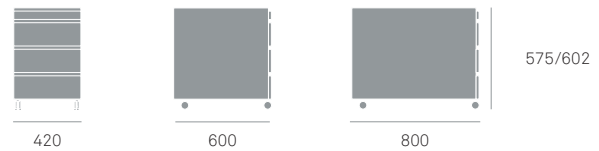

Mobile under-desk drawer units with practical dividers and an organisable interior that provide space for personal documents. The under-desk drawer units have a central lock and an interlocking system to prevent the unit tipping forward. All LO D3 drawer units have a countertop, material tray and lock. The drawers have an

interlocking system and soft-close mechanism. The A4 drawers are fully retractable, while the A6 drawers have standard extension.
