Sliding-door cabinet

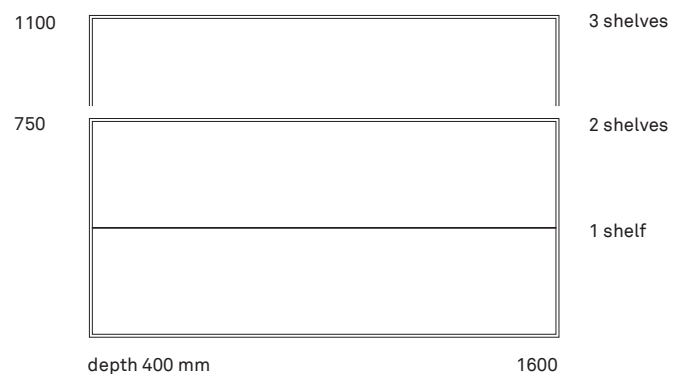

LO One sliding-door cabinets are available in standard and acoustic models. The acoustic models are highly effective at reducing noise, especially in open-plan offices. All products in the LO One cabinet family are stackable.

Roll-front cabinet

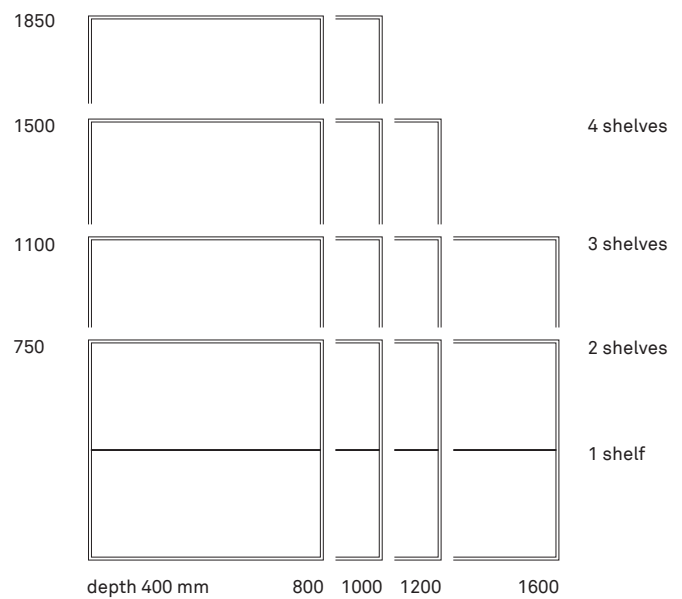

The LO One roll-front cabinet is available in standard and acoustic models as well as with the full-length “skin” roll front. The sturdy, fully opening front optimises usable space and allows unrestricted access to the cabinet’s contents.

Open cabinet

The LO One open cabinet is available with optional incremental holes for customisable organisation. The model without incremental holes has shelves at standardised file heights and makes an appealing, uncluttered impression in receptions, waiting rooms or libraries. The use of swivel shelves makes the open cabinet ideal for presenting brochures.

Double-door cabinet

The LO One double-door cabinets, available in four heights and two widths, offer lots of space, which can be perfectly organised using the full-length incremental holes on the sides. The double doors, which are hinged on the inside, have an integrated handle strip for high ease of use.

Extensions

LO

For truly perfect organisation: the LO One extension elements add new dimensions to your workplace. Improve performance and boost well-being in every office – with five flexible, functional and aesthetically appealing modules. It is not possible to add extension elements to LO One “twin” due to the double-sided door slide mechanism at the top.

Details

LO

LO One not only offers a wide product range – it's also superbly made with meticulous attention to detail. Inside, LO One has a regular, streamlined grid system that opens up a variety of organisational options – helping to make your office stronger. Drawers, hanging files, hanging boxes and elements such as bookends and paper collectors can be freely combined, rearranged and extended.

Organisation

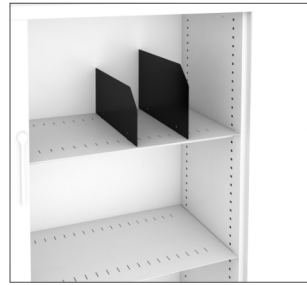

LO One has various nifty organisational elements that are as flexible and varied as the modern world of work itself. The new LO One and the LO drawer unit make a strong team. Together, they keep things perfectly organised: the magnetic dividers from both systems are fully compatible with each other.

Warranty

LOG Produktions AG guarantees Lista Office LO products for five years from delivery ex works. A five-year warranty period also applies to the electric motor systems used in the product ranges LO Extend, LO Choice and LO Pure. All other bought-in parts used in our own products (such as textiles, glass components, etc.) and/or electronic components (such as software, plug boxes, etc.) are guaranteed for two years from the date of delivery. Replaces all previous price lists. We reserve the right to make changes to the prices, designs and dimensions of products. LOG Produktions AG is certified in accordance with ISO 9001 and ISO 14001.

You can find care and maintenance instructions for your product on our home page. You can find information on how to assemble and use your product in the user manual.

Award-winning

The LO One storage system has been awarded the Red Dot Award for product design. The Red Dot Design Award, which dates back to the 1950s, is awarded in three categories: product design, communication design and design concept. The highly coveted award has earned an international reputation as a seal of outstanding design quality.
