LO[®] Cockpit[®]

Product information sheet

Product range

The more agile the working method, the more nimble the office furniture needs to be. LO Cockpit safely guides project teams looking for quick success on the way to new solutions. LO Cockpit two model variants – Basic and Plus – meet the needs of the new working world. Flexibility guaranteed regardless of whether you choose a horizontally fixed worktop or a swivelling worktop with whiteboard.

Adjustment range LO Cockpit Basic: 675 - 1335 mm
Adjustment range LO Cockpit Plus with
table top unfolded: 1170 - 1830 mm

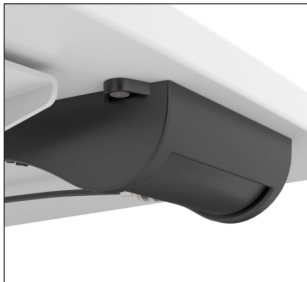

Product range

The organic shape of the mobile table encourages brainstorming while sitting or standing – adjustable height from 675 to 1335 millimeters. The height can be adjusted using a pneumatic drive – no power required. In addition, the LO Cockpit is also available in a rectangular panel shape.

Details

The versatile table features castors to allow for quick and frequent location changes. Park the LO Cockpit and save space with its slanted feet.
