## **Colour concept LO Colors**

Making targeted use of colours in the office, in schools, in the health care sector and in the home is an ideal way to bring out your interior design with creative highlights and can help strengthen any corporate identity. The right colour choices boost motivation and help generate enthusiasm through the whole team. It's not only the colour scheme that can be configured for LO products – additional materials can be used to create fresh visual accents and give you space to express individuality.

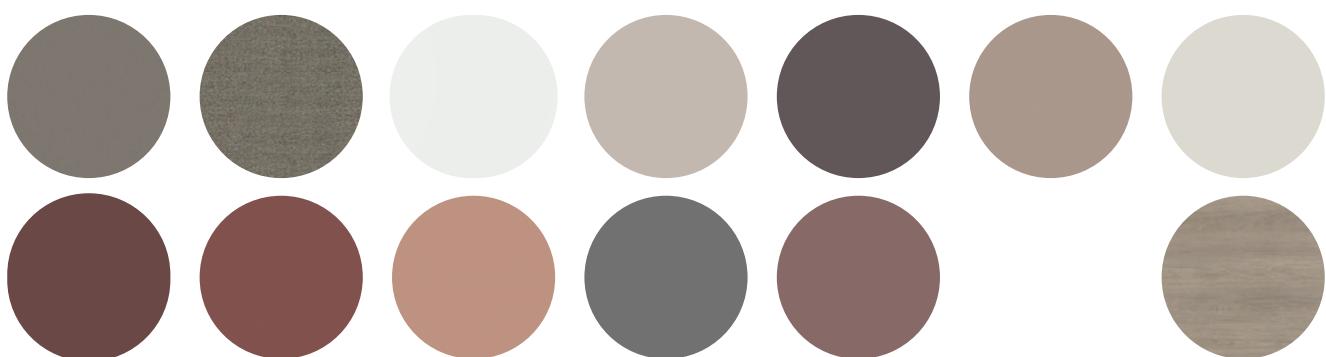

## **Programma di colori LO Colors**

L'uso mirato dei colori in ufficio, nelle scuole, nel settore sanitario e in casa crea accenti di design. L'identità aziendale viene rafforzata. Aumentano la motivazione e la disponibilità a impegnarsi nel team. I prodotti LO possono essere progettati a colori, ma anche con materiali complementari. In questo modo si creano accenti visivamente interessanti e si dà spazio all'individualità.

## Sortiment

### Steel – The signature of our office furniture.

Steel is the most important material at Lista Office LO. It's strong yet perfect for delicate designs, easycare and low-maintenance and recyclable and therefore eco-friendly.

In short, steel lends our office furniture ideal properties. Our powder coating (S1) consists of a coloured powder made up of tiny polyamide spheres.

## Assortiment

### Il marchio di fabbrica dei nostri mobili da ufficio.

L'acciaio è il materiale più importante per Lista Office LO. È robusto e al tempo stesso adatto a realizzazioni sottili e delicate; è di facile cura e manutenzione, riciclabile e quindi ecologico.

In breve: l'acciaio conferisce ottime proprietà ai nostri mobili da ufficio. Il rivestimento (S1) è applicato con verniciatura a polvere. Il colore è costituito da minuscole sfere di poliammide.

## Panels -tables the way you like them

Impact and scratch-resistant synthetic resin, solid-core, linoleum or fenix with a pleasant surface, genuine natural wood – Lista Office LO tabletops are a scintillating visual and tactile experience in the office and at home.

## Piani – tavoli a piacere

Resina sintetica antiurto e antigraffio, laminato compresso, linoleum o Fenix di gradevole estetica o vero legno naturale: i piani dei tavoli da ufficio Lista Office LO sono un'esperienza piacevole per la vista e il tatto in ufficio e a casa.

## Assortment

## Assortimento

### Solid wood – Wood as a natural product

Wood is a natural product; the varied natural colours, structures and other differences within a single type of wood are part of the character of wood as a natural product and are in no way a reason for complaints or liability. Similarly, the surface treatment of the bases and wooden panels can cause minor variations in appearance.

### Legno massiccio – Il legno come prodotto naturale

Il legno è un prodotto naturale; la gamma di colori naturali, strutture e altre differenze all'interno di un tipo di legno fanno parte delle proprietà del legno come prodotto naturale e non costituiscono alcuna base per reclami o responsabilità. Possono verificarsi lievi differenze di colore dovute al trattamento superficiale delle gambe e dei pannelli di legno.

## **Textiles – more well-being in the workplace.**

Textiles bring homeliness into work areas and have a positive effect on acoustics because of their noiseabsorbing qualities.

## **Tessili – maggiore benessere nell'ambiente di lavoro.**

I tessuti rendono le aree di lavoro più accoglienti e, grazie alle loro proprietà fonoassorbenti, migliorano l'acustica.
